

Opening Doors of opportunity through language study.

Knowing a second or third language is a bonus to life and career. The benefits in learning a second or third language or studying to maintain the language you have, has numerous advantages for your career and personally. We at ***Int'l Gateway Language Academy*** have the language of your choice. We are the only language Academy in the greater Vancouver area, with the largest choice of foreign language studies. Can you believe it, 38 languages to choose from and each language has 10 levels. Level 1 is beginners and level 10 is high to advanced academic skills. All of our instructors are native speakers, highly qualified and experienced.

Each language program course runs for 8 weeks – 16 hours. We offer small class sizes with a maximum of 12 students per class to a minimum of 6 students. Levels 1 and 2 are basic conversation classes and building on vocabulary and spoken grammar skills. Levels 3, 4 and 5 are building on the conversational skills with the added challenge of learning the proper use of the script with grammar practice. In levels 6, 7, and part of 5, the reading and writing skills come into play with proper use of grammar in both the oral and the written form. In the final 3 levels, 8, 9, and 10, a more academic approach is given with the expectation that 95 percent of the language studied is communicated in the classroom with an emphasis on reading and writing and verbal analysis.

Adult classes are held in the evening from 7 to 9 pm.

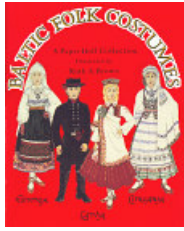

Children's and young teen classes are held from 4 to 5:30
