We arrange the tutor for the client according to their specific requirements. All sessions are done at the Academy and when an alternative location is more suitable for both client and tutor that can be arranged. For businesses that require on site tutorials for staff or others this can be arranged. We are here to serve the community and to see that there language needs are met and that they are successful in reaching their target language goal.

Each client pays at the beginning of the month for the number of sessions and hours to be tutored during that month to the school. No money is exchanged between the client and tutor.

We have a standard fee for all subjects and courses tutored. For students that need tutorials for school work, whether elementary, high school or university, the student supplies the materials to be used for the 60 to 90 minutes including textbooks, paper and pens. For all other subjects, each student is required to pay a material fee of \$35 for each 6 months of tutoring.

Our tutoring fees are \$30 per hour. Group rates: 2 - \$25 per student, 3 – \$20 per student, 4 - \$15
A \$35 one time each 6 months material fee is added to the first payment. If a tutor needs to drive to the client's location an additional \$2.50 will be added per visit. Conferences with tutors or parents will be calculated and billed as instructional time. The minimum is one hour per conference time. Payments can be made by cash or cheques to *Int'l Gateway Language Academy*.
